PROCEEDINGS

The conference proceedings will be in English. A dedicated dedicated portal featuring the proceedings, and white papers and reference documents, will be accessible to all the registered delegates within 10 days after the conference. Access to this portal is included in the delegate registration fee.

ACCESS TO PROCEEDINGS (NON-DELEGATES)

Access to the aforementioned portal can also be ordered by non-delegates. The conference registration form or the online order form should be used for this purpose.

An international conference focusing on RPAS operational matters, current & future applications, regulatory & policy matters, current bottlenecks, technical and performance requirements, system & sub-system developments, aerial work customer requirements, novel operations, experience & lessons learned. The objective is to, within the context of the ICAO RPAS Manual, the Riga Declaration, the European RPAS Roadmap, EASA's "Concept of Operations", and the increasing critical role that JARUS will play, broaden the awareness of the RPAS community & its future customers.

2015 RPAS YEARBOOK

All conference delegates will receive a copy of the 2015 edition of the RPAS Yearbook - RPAS : The Global Perspective.

FOOD & BEVERAGES

Each morning & afternoon will have a refreshment break which are included in the conference fee. On days 2 & 3 & 4 lunch (not included in the conference fee) will be served in the Royal Military Academy's cafeteria. Days 1 & 2 & 3 will be concluded by a conference cocktail. The refreshment breaks, lunches & cocktails offer important networking opportunities.

EXHIBITION

There are limited exhibition possibilities (table tops & free-standing pop-up walls supplied by exhibitors) in the foyers on the ground floor & first floor of the conference building.

SPONSORSHIP OPPORTUNITIES

There are various sponsorship opportunities. For detailed information contact Peter van Blyenburgh at UVS International.

SPONSORSHIP OPPORTUNITIES

Sponsorship of the **RPAS 2015 conference** permits to be directly identified with this technically informative international conference. The event is organized for the international RPAS community, in response to the requirement expressed by UVS International members for an event where current & future governmental non-military & commercial civil RPAS operators, RPAS manufacturers, pilot training companies, R&D organizations, insurers, academia, as well as current & potential customers can interface with each other, as well as with regulatory authorities and traditional aerial work suppliers. Within the framework of UVS International's **Global Access Initiative**, and in co-ordination with the European Commission RPAS Steering Group (ERSG), International Civil Aviation Organization (ICAO), European Aviation Safety Agency (EASA), Eurocontrol, European Civil Aviation Conference (ECAC), EUROCAE WG73 on UAS & WG93 on Light RPAS, JARUS, SESAR JU, various national CAAs & ministries of defence, various EC-financed consortia, as well as with the European RPAS Coordination Council (national associations), this is **Europe's principal RPAS event**, addressing the current & future aspects of **Civil & Military RPAS Operations** and the related regulatory & policy aspects.
